**Academic Reminders:** All students in the CHSOC must take SCOM 102 (Intro. to Comm. Prof. Develop). Your last thirty (30) hours must be completed at HU; probationary students cannot take more than 13 credits; probationary students should repeat failed courses immediately in order to get off probation; students with gpa below 2.0 will not receive alternate pin numbers until they meet with an Academic Advisor. If you are on probation for two consecutive semesters, you will be suspended from the university. All students are required to take an Afro-American course taught outside of SOC; all students are required to declare their minor by sophomore year and ALL minors are **18 credits**; you cannot graduate with more than twelve (12) credits of D's. No D's are allowed in a major or minor course. Courses must be taken in sequential order; prerequisites must be completed with a "C" or better grade before advancing to a higher level course. A **General Elective** is any **undergraduate** course outside the CHSOC and a **major electives** are courses taught within your major department. You must register for your practicum/internship and the actual internship must be approved by your department before you begin your internship. **If your schedule is altered or changed after you meet with your Academic Advisor, you run the risk of not graduating on time. Changing your major could delay your graduation date.**
