## The Network Certification How to Log into a HP Laptop or Desktop Device

Created by the Chief Technology Officer Date: August 8, 2024 Version 1.0

Excellence in Truth and Service

## **On HP Laptop and Desktops Machines**

This quick reference guide is designed to show Howard University students, faculty, and staff how to securely log into the computer HP Laptop and Desktops Machines. The certificates on Windows machines are controlled by the Windows Security pop-up.

- 1. This is the pop-up you will see on a HP Windows type laptop or desktop.
- 2. When prompted with the box below, log directly into HU Wi-Fi, using your Howard Outlook credentials for security purposes.
